

BCMOS Needs YOU!

BCMOS is an independent non-profit that enriches the lives of people with significant disabilities through wilderness recreation.

These programmes make it possible for people with physical disabilities to access B.C.'s great outdoors. Excursions range from hour-long leisure hikes to challenging multi-day treks.

Volunteers "Sherpa" the TrailRider, a unique wilderness access wheelchair, transporting people with disabilities to places they never thought were attainable.

Without volunteers there is no wilderness access for people with disabilities.

Share your love of the outdoors with those that otherwise could not access hiking trails, parks and campgrounds – call BCMOS and volunteer make a difference.
